I certify that the information given by me in applying for payment under Title XVIII of the Social Security Act is correct. I authorize my holder of medical or other information about me to release to the Social Security Administration or its intermediaries or carriers any information needed for this or a related Medicare claim. I request the payment of authorized benefits be made on my behalf. I assign the benefits payable for physician services to the physician or organization furnishing the service or authorize such physician or organization to submit to Medicare for payment to me.

I request that the payment under the medical insurance program be made to Health Centered Spine & Wellness Group.

Our Financial Policy

Thank you for choosing Health Centered Spine and Wellness Group as your health care provider. We are committed to your treatment being successful. Please understand that payment of your bill is considered a part of your treatment. The following is a statement of our Financial Policy, which we require you read and sign prior to any treatment. All patients must complete our New Patient Information form before seeing the doctor.

FULL PAYMENT IS DUE AT TIME OF SERVICE UNLESS OTHER ARRANGEMENTS ARE MADE. WE ACCEPT CASH, MASTERCARD, AND VISA. PAYMENTS PLANS ARE ALSO AVAILABLE.

Regarding Insurance

Health Centered Spine and Wellness Group may accept assignment of insurance benefits after your first visit. However, we do require your co-pay or deductible to be paid at time of service. The balance is your responsibility whether your insurance company pays or not. We cannot bill your insurance company unless you give us your insurance information. Your insurance policy is a contract between you and your insurance company. We are not a party to that contract. In the event we do accept assignment of benefits, we require you be pre-approved on our extended payment plan or provide a credit card with authorization to bill that account for the balance. If your insurance company has not paid your account in full within 45 days, the balance will automatically be transferred to your credit card or the extended payment plan. Please be aware that some, and perhaps all, of the services provided may be non-covered services and not considered reasonable and necessary under the Medicare Program and/or other medical insurance. Regarding insurance plans in which Health Centered Spine and Wellness is a participating provider: All co-pays and deductibles are due prior to treatment. In the event that your insurance coverage changes to a plan where we are not participating providers, refer to the above paragraph.

Usual and Customary Rates

Our practice is committed to providing the best treatment for our patients and the fees that we charge are usual and customary for our area. You are responsible for payment regardless of any insurance company's arbitrary determination of usual and customary rates.

Minor Patients

The adult accompanying a minor and the parents (or guardians of the minor) are responsible for full payment. For unaccompanied minors, non-emergency treatment will be denied unless charges have been pre-authorized to an approved credit plan, Visa/MasterCard, or payment of cash at the time service has been verified.

Durable Medical Equipment

You may be able to find durable medical equipment elsewhere for a less expensive purchase price, but you agreed to purchase this equipment at Health Centered Spine and Wellness Group.

Interest

We reserve the right to charge interest in the amount of 9% monthly as provided by state law. Thank you for understanding our Financial Policy. Please let us know if you have questions or concerns.

Missed Appointments

ALL APPOINTMENTS must be cancelled within 24 HOURS of the appointment or we reserve the right to charge \$25 as a MISSED APPOINTMENT CHARGE.

I have read the Financial Policy. I understand and agree to this Financial Policy.

CONSENT FOR CARE

As a patient of Health Centered Spine & Wellness Group, I give the providers permission and authority to care for me or the above named minor in accordance with tests, diagnosis, and analysis. In rare cases, underlying physical defects, deformities or pathologies may render the patient susceptible to injury. The doctor, of course, will not give any treatment or health care if he is aware that such care may be contra-indicated. Again, it is the responsibility of the patient to make it known, or to learn through health care procedures whatever the patient is suffering from: latent pathological defects, illnesses, or deformities which would otherwise not come to the attention of the provider. The Provider provides a specialized, non-duplicating health care service.

I understand that if I am accepted as a patient by a provider at Health Centered Spine & Wellness Group, I am authorizing them to proceed with any treatment that may be necessary. Furthermore, any risk involved, regarding treatment, will be explained to me upon my request.

I hereby give my consent for evaluation and treatment to Health Centered Spine and Wellness Group. In the event the patient is a minor, I hereby consent to treatment of the minor patient.
